an agile and effortless
way to move, regardless
of terrain and season?
We can.

WWW.ROUKUA.FI

A close-up photograph of the Roukua XC Scooter, focusing on the front wheel, the deck, and the motor housing. The scooter is primarily black with bright yellow accents on the motor housing and the deck's side rails. The front wheel has a thick, treaded tire. The deck is black with a white 'R' logo and the word 'ROUKUA' printed on it. The background is a solid, light brown color.

Here it is!

ROUKUA XC SCOOTER

An urbane monster, born and raised in Finnish Lapland.

*Btw, it's
100%
road legal!*

XC

I LOVE MY BIG FAT BUTT...AND FRONT

For all terrains and seasons, our 20x4" fat tires offer the ideal traction and suspension.

XC

I'M A LIGHT WEIGHT GIANT

Extremely durable aluminium frame build to last, with a hub motor ready to deliver the highest speed and torque.

XC

DON'T TOUCH ME, I'M TRACKED

All our scooters are equipped with GPS locators. Perfect for safety and supervision.

XC

MULTI-TALENT IS MY SECOND NAME

From racks to trailers, only your imagination is the limit when using our accessories for your needs.
